

Claudia's Hair & Waxing Consultant Specialty Wedding Packages

It's your special day-- so let the professional staff at Claudia's Hair & Waxing Consultant help you look your best!

CONSULTATION includes:

- **Hair Designs:** We will work with you to try as many different hair styles as you'd like, including with your veil or any hair ornaments you bring in.
- **Make-Up Designs:** We will try 3 different ½ face looks to see which make-up will work best for you. Please bring in your own mascara. (* Knowing the type of cameras being used will also ensure the best results.)
- **Budget For Services Rendered:** We will discuss the cost of working with the bride, all bridal party members, and any guests intended to be included on the day of the event.
- **Travel Costs:** Travel costs within 20 miles of the salon is \$50.00. If the event is outside of the area, all travel accommodations including airfare, hotel, and food needs to also be included.

Once we have agreed on the above, we will set up a *Specialty Wedding Package Contract*, which includes:

- A written agreement of what we have decided on in means of hair styles, make-up choices, all people to be included as clients the day of the event, and all service fees and travel fees (if any apply).
- Service Fees can vary depending on each individual, but generally they start at:

Hair Styles: \$45.00 & up

Make-up (camera): \$45.00 & up

- Half of the full payment amount is due as a down payment, which is non-refundable. (The fee is non-refundable because this payment includes the time the stylist would have used to plan out both the design looks and how she will coordinate things on the day of the event to make sure your day runs smoothly.)
- The remainder will be paid on the day of the event.

Note: We are also available for proms, Quinceaneras, graduations, or any special event.
